

**REMARKS**

Claim 30 has been amended by incorporating therein the subject matter of claims 3 and 4. Since claim 4 was indicated as allowable, it is submitted that claim 30, and all claims dependent therefrom, are allowable.

Also, process claim 31 has been amended so that it corresponds to claim 30. It is submitted that the apparatus cannot be performed by a different process, so claim 31 should be allowed along with claim 30.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
